EXECUTIVE SUMMARY

THURSTON SEBOTSANE cc. is a wholly black owned and run Inspirational and Life Coaching service provider. We are able to reach audiences to achieve desired ends. Through our interactive Inspirational and Life Coaching sessions we are able to move audiences to action in a fun and relaxing approach. Productive teams can be built in the office without the tedium of expensive weekend breakaways. Participants are able to go back to work immediately after the sessions feeling relaxed and revved up to perform at their peak.

Our founding member (Thurston Sebotsane) has used his skills to reach Learners and Educators at troubled schools to help them realize their potential. He has partnered with private sector companies and Department of Basic Education to help improve the Quality of Teaching and learning in our country. He has undertaken tours around the country delivering inspirational talks and also unearthing challenges in the schooling system.

Thurston Sebotsane has been appointed Ambassador of Basic Education. He is also supported by BACK TO OUR ROOTS TOURS, ACER, GARMIN, MotorCycling SA and is also an Executive member on the board of Jo'burg Child Welfare and Managing Member of THURSTON SEBOTSANE cc.

VISION

Helping people around the world lead successful lives.

Our vision captures the essence of who we are. Everything we do flows from our vision. We just don't happen to be a business; it is what we are all about. Our vision is about meeting needs and making success a reality. We see a world where people lead more enjoyable lives.

Our vision tells the world - our employees, clients and the communities where we sell our services - what we care about. It captures the importance of wellness and embodies ways we can live better.

MISSION

Our vision is to help people around the world lead successful lives. Therefore our mission is to be the service provider of choice first in South Africa then the world. We aim to help our clients to realise the value in self-mastery and to help them visualise and live their dreams.

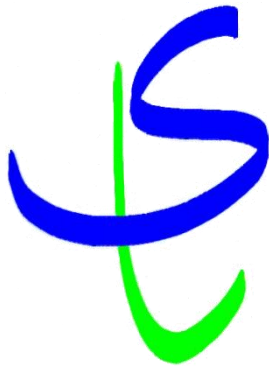

SERVICES

We offer the following services in support of our vision and mission. For more detail of our offerings, download the latest copy from our website (www.thurston.co.za/downloads) or send a request via email to thurston@sebotsane.co.za.
